## CHARGING POLICY

The Newman Trust's commitment and vision is to provide every child in all of its schools with an education of the highest standards rooted in our Catholic beliefs and ethos - establishing Newman Trust as a beacon of excellence within education.

"God wants us to be saints and not settle for a bland or mediocre existence" (Gaudete et Exsultate 1). Therefore, we will strive as a faith community, with strong governance at all levels and in partnerships with our families and communities, to unlock the God-given potential of all who work within the Newman Trust.

"Faith... is an act of will, following on the conviction that to believe is a duty" (Saint John Henry Newman). Therefore, the Newman Trust aims to create a community of change - a community that lives an active life of stewardship, service and faith.

Underpinning the Trust are our company values which form the heart of our vision, mission and drive:

C – Courage: At Newman, we show courage in our faith and when we learn – facing challenges and overcoming adversity.

A – Attentive: At Newman, we are attentive to the needs of others and respond with action. We are attentive to and actively seek the presence of God in all things.

R – Respect: At Newman. We show respect and concern for each other, our communities, our planet and all people.

E – Excellence: At Newman, we challenge our students to go beyond what is expected, seek excellence in all areas and strive for the greater glory of God.

S – Stewardship: At Newman, we believe that it is our duty to work amongst God's people. This means active service, volunteering and working for social justice.

### **Commitment to Equality:**

**We are committed to providing a positive working environment free from prejudice and unlawful discrimination and any form of harassment, bullying or victimisation. We have developed several key policies to ensure that the principles of Catholic Social Teaching in relation to human dignity and dignity in work become embedded into every aspect of school life and these policies are reviewed regularly in this regard.**

## **CHARGING POLICY**

### **Purpose**

We believe that all our students should have an equal opportunity to benefit from school activities and visits (curricular and extracurricular) independent of their parents financial means. This charging and remissions policy describes how we will do our best to ensure a good range of visits and activities is offered and, at the same time, try to minimize the financial barriers which may prevent some students taking full advantage of the opportunities.

The Newman Catholic Trust is required by law to publish a policy where it charges for its schools' activities. It is the intention of the Trust that no pupil will be disadvantaged by this policy. The Education Act 1996 establishes the following basic principle that schools cannot charge for:

- an admission application to any maintained school
- education provided during school hours (including supply of any materials, books, instruments, or other equipment)
- education provided outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the student is being prepared for at the school. or part of religious education.
- tuition for students learning to play musical instruments (or singing) if the tuition is required as part of the National Curriculum, or part of a syllabus for a prescribed public examination that the student is being prepared for at the school.
- entry for a prescribed public examination, if the student has been prepared for it at the school; and
- examination re-sit(s) if the student is being prepared for the re-sit(s) at the school.

However, the Board of Directors will charge for 'Optional Extras':

- Education provided outside of school time that is not
  - a) part of the National Curriculum
  - b) part of a syllabus for a prescribed public examination that the student is being prepared for at the school
  - c) part of religious education
- Examination entry fees(s) if the student has not been prepared for the examinations at the school.
- Early years - children attending Nursery are eligible for 15 hours per week free provision. Children attending in excess of this (as agreed with the school) will be charged, either indirectly via the 30 hours funding eligibility system or in the event of eligibility expiring, the charge will be made directly to the parent(s) including any arrears of payments.
- Music tuition – charges may be made for vocal or instrumental tuition provided either individually or to groups of any size, where the tuition is provided at the request of the pupil's parent.
- Ingredients / materials – a charge can be made to cover the cost of e.g. food technology ingredients, design technology materials, arts and crafts, where parents have indicated in advance that they would like their child to bring home the finished product.
- Extended day services – the school may charge for out of hours services e.g. breakfast club, after school club, supervised homework/revision sessions.
- Deliberate damage to or loss of school property – parents may be required to make reimbursement towards the cost of repair and/or replacement.
- Community facilities – schools are permitted to provide and charge for facilities that can be used by the local community for the benefit of pupils attending the school, their families or people who live or work in the locality of the school e.g. out of hours and holiday clubs, swimming pool sessions.

- Transport that is not required to take the student to school or to other premises where the Board of Directors have arranged for the student to be provided with education: and
- board and lodging for a student on a residential visit.

When calculating the cost of 'Optional Extras' an amount may be included in relation to;

- any materials, books, instruments or equipment provided in connection with the optional extra
- non-teaching staff
- teaching staff engaged under contracts for services purely to provide an optional extra i.e., supply staff

Any charge made in respect of individual students **must not** exceed the actual cost of providing the optional extra activity, divided equally by the number of students participating.

Furthermore, in cases where a small proportion of the activity takes place during school hours, the charge cannot include the cost of alternative provision for those students who do not wish to participate. Therefore, no charge can be made for supply teachers to cover for those teachers who are absent from school accompanying students on a residential visit.

**Participation in any optional extra activity will be on the basis of parental choice and willingness to meet charges. Therefore, parental agreement is a necessary prerequisite for the provision of an optional extra where charges will be made.**

### **Voluntary Contributions**

It is acceptable for schools to ask for voluntary contributions to fund school activities. Where a school is unable to raise the necessary funding for an activity (from any source) then it must be cancelled. This possibility should be communicated to parents at the outset.

- If the activity cannot be funded without voluntary contributions, the Board of Directors or Headteacher should make this clear to parents at the outset
- The Board of Directors or Headteacher must also make it clear to parents that there is no obligation to make any contribution.
- No student should be excluded from an activity simply because his or her parents are unwilling or unable to pay.
- If insufficient voluntary contributions are raised to fund a visit, then it must be cancelled.
- The school will make it clear from the outset what its policy for allocating places on school visits will be.

### **Remission/Accepted Benefits for Financial Support**

Children of parents on low income or in receipt of benefits listed below qualify for free school meals and Pupil Premium funding and may be entitled to financial support towards the cost of school activities where a charge is being levied. Where a school informs parents about a forthcoming activity, it must be made clear that those in receipt of benefits listed below and who have made a successful application for free school meals will be eligible for financial assistance. Remission may consist of part or all of the fees according to individual circumstances and dependant on the activity. All questions of remissions will be dealt with in the strictest confidence. The school will require written proof of entitlement to provide remission of fees. The level of remission / financial support available to parents will be at the discretion of the individual school's Headteacher. Appeals against decisions made with reference to this policy should be made in writing to the school Headteacher and will be dealt with by the relevant local or Newman Trust committee with oversight of the curriculum:

- Income Support
- Income-based Jobseekers Allowance
- Income-related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- the guaranteed element of State Pension Credit

- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit Run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit

The Act prohibits us from charging directly for the cost of visits which take place during school time. Since funds to cover these activities are limited we can either abandon all such visits or continue them with parents making voluntary contributions to cover the costs.

Board of Directors adopted the following policy on charges for school activities across the Academy:

1. The principles of the Fair Access Division charging guidance be accepted
2. In order that educational visits and residential activities continue and be properly funded and staffed, they should all be regarded as 'voluntary' activities for which parents would make a voluntary contribution. In this way the viability of a particular activity may be assessed at an early stage.
3. Full remission of charges for those qualifying be made from alternative sources of funding - notably School Fund.
4. The school act as 'agent' for tour companies, for appropriate and approved activities e.g. ski trips.
5. Responsibility for deciding on the suitability of any visits or residential activities and for the granting of any required leave of absence be delegated to the Headteacher, subject to the Board of Directors, through the Chair, being kept fully informed on such matters.
6. Regarding public examinations, parents be fully liable for any fees incurred through:
  - i) Late withdrawal of any entry
  - ii) Non-attendance at an *examination* unless good reason (e.g. Doctor's note) be given.
  - iii) Serious misconduct in an examination leading to exclusion.
  - iv) A re-sit examination supported by the SLT or Headteacher where they are no longer being prepared for this.
7. For particular curriculum activities parents may be required to provide equipment or materials for that activity to take place within the rules of the school. Examples would include:
  - i) Suitable footwear for activities: e.g. in craft Workshops and for sporting activities (football/ hockey boots)
  - ii) Materials for Craft and Food Technology activities where the parents have agreed in advance to own the finished product.
7. For vandalism of school property or equipment or for loss of books or equipment, a charge to be made to parents at a level to be negotiated by the Headmaster.
9. This policy to be reviewed and amended as necessary.

## **EDUCATIONAL VISITS & RESIDENTIALS**

The Education Reform Act prohibits us from charging directly for the costs of visits which take place in school time. Since funds to cover such proposed activities are limited, we can either abandon all such visits or continue them with Parents making voluntary contributions to cover the costs. We consider that the visits we offer are of great benefit educationally and propose to attempt to continue with them as described.

Accordingly when a visit is proposed, it will be assumed that everyone who expresses an interest to go is prepared to make a voluntary contribution of the full amount as soon as it is evident that the level of support will make the visit viable. This collection of donations will usually take place as soon as we know there is sufficient support. If, in the event, not all donations are forthcoming we reserve the right to cancel the visit since we are forbidden to differentiate between those who make a donation and those who do not. Those parents who are in receipt of a benefit will be exempt from paying the cost of board and lodging.

### **PRINCIPAL CIRCUMSTANCES IN WHICH CHARGING IS PERMISSIBLE UNDER THE ACT**

1. Board and lodging on residential visits the charge may not exceed the actual cost.
2. Charges for teaching either an individual student or groups of an appropriate size to play a musical instrument or to sing. Charges may only be made if the teaching is not an essential part of either the National Curriculum or a public examination syllabus being followed by the student.
3. Activities which take place wholly or mainly outside school hours. However, a charge can only be made for the activity if it is not part of the National Curriculum, not part of a syllabus for a prescribed public examination is being prepared for at the school and not part of religious education.
4. The cost of entering a student for a public examination not prescribed in regulations, and for preparing the student for such an examination outside school hours.
5. Re-sits of prescribed public examinations where no further preparation has been provided by the school.
6. Any books, materials, instruments or equipment where the child's parent wished him to own them.

### **ACTION BY DIRECTORS**

1. Board of Directors will need to determine their own charging and remissions policies which may be more or less generous than the policies of the LA provided that they meet the requirements of the law.
2. For each of the areas of charging and remissions, the policy should detail the responses in each case.

### **ACTION BY HEADTEACHER**

1. When evidence of receipt of benefits is received a standard reduction of 20% is offered, if the parent is in a position to voluntarily contribute to the activity.
2. If a parent is unable to contribute but is not in receipt of a recognised benefit a contribution of any amount should be requested.
3. Once a parent has been approached with an offer and it is established a contribution cannot be made, then the Group Leader and Business Director should be notified to make alternative financing arrangements.
4. Before a decision can be made a request should be made in writing showing evidence of hardship and support agreed by the relevant Headteacher.
